The Rare Wine Co.

BEHIND THE BACK LABEL

In an effort to deepen our members' knowledge and appreciation of the world of fine wine, we're highlighting outstanding wine importers, giving you a look 'behind the back label' of our favorite iconic producers.

Founded in 1989, The Rare Wine Co. is a singular example in the field of American fine wine importers. Led by founder Mannie Berk, The Rare Wine Co. has built a portfolio filled with truly iconic producers, each representing classic winemaking and benchmark status in their respective regions. Driven by a belief that mature bottles are the ultimate expression of potential for world class wines, The Rare Wine Co. has built an unparalleled library of top vintages, making it possible for their customers to offer mature examples of sought after wines in addition to current releases. We're thrilled to offer our members a few of our favorite vignerons from the cellar of The Rare Wine Co. Enjoy!

Women in Wine

For centuries, winemaking was a male-dominated field. Today, women across the globe are changing that narrative and shaking up the industry, adding more and more names to history's list of important Women in Wine. In celebration of Women's History Month, we are excited to highlight an array of our favorite female-made wines from around the world.

Cheers! - Ashley Guertin

Spécial Club Champagne

Spécial Club champagne, also known as the Club de Trésor or Club of Treasures, is the highest designation for grower champagne. Of the hundreds of grower champagne producers, only 28 are currently a part of this prestigious organization.

The process of being included in the Club de Trésor is incredibly rigorous. Prior to each declared vintage every wine is blind tasted at two different points throughout production and must be unanimously approved.

A style of champagne that is near and dear to our hearts, we are very excited to be able to curate a selection of our favorites for you to enjoy.

Cheers! - Ashley Guertin

The Wines of Bill Harlan

Few people have had the vision & forethought to impact the Napa Valley wine culture as completely as Mr. Bill Harlan. As Bill tells it, a visit to Robert Mondavi's winery the week it opened in 1966, sparked a lifelong dream... to create a 'First Growth of California'. He bought his initial piece of land in 1979, three years after Napa Valley shocked the world, with the judgement of Paris.

Harlan Estate, first released in 1996, quickly became one of the most sought-after labels in the world. Setting a model, which became a new standard, with low production, top quality fruit and resulting high prices, Harlan literally created the cult cabernet category. His work at Bond (1996), The Napa Valley Reserve (2000) and, most recently, Promontory (2008) has cemented his legacy.

After six perfect scores between '94 & '13, Robert Parker declared, "Harlan Estate might be the single most profound red wine made not just in California, but in the world."
